

ACA Virtual Convention – Puzzle Packet

Instructions:

- These ciphers were created for your enjoyment!
- There are no restrictions on computer usage. Feel free to use any resources at your disposal.
- Feel free to work with other members. Breakout rooms can be set up for collaborations.
- If there is a cipher type contained within this packet that you don't typically solve, use it as an opportunity. Get with another member who knows how to tackle it and learn their solving methods.
- Please be mindful of commenting on solutions so as to not spoil the solving enjoyment of other members.
- Have fun!
